FIA/OIC New York Equity Options Conference

September 22-23, 2009
New York Marriott Marquis

The Futures Industry Association and the Options Industry Council are partnering again to host the 4th Equity Options Conference in New York. The options industry has experienced phenomenal growth in the last few years—a testament to the effectiveness of options as a risk management tool used both by retail and institutional customers. Last year, representatives from more than 138 firms attended, including representatives from brokerage firms, funds, exchanges, regulatory organizations, law firms, service organizations, and members of the press.

of attendees: 350
